ABOUT OUR COMPANY

Goods have always been shared through trade since ancient times. The greatest challenges was transport. Colombian Trading CC, owned solely by Joseph Amadhila was established 2016. Joseph has been a truck driver over the period of 13 years, driving all the SADC Countries.

Reliable Transportation and clearing services is our prime business.

OUR VISION

- To be the recognized leader of Transport and Logistics in Southern Africa through bulk transportation of goods or commodities.
- To be the top transportation company in Namibia with functional docking services, quality and modern technology.

OUR MISSION

- To set the drive to every need or want and also to ensure that logistics and transport principles are utilized in a manner that our clients get to indeed feel or get a great experience of our services.
- To facilitate smooth trade of goods across SADC through logistics excellence, aiding in the growth of all SADC economies

OUR OBJECTIVES

- To be customer oriented.
- To build strong and long lasting relationships.
- To deliver goods in shortest possible time.

OUR SERVICES

RECEIVING AND DISPATCHING OF CONSOLIDATED GOODS OR CONSIGNMENTS

LOCAL, REGIONAL AND INTERNATIONAL TRANSPORTATION OF GOODS

OUR SERVICES

CLEARING AND FORWARDING OF CONSOLIDATED GOODS OR CONSIGNMENTS

With a growing client base, we have been transporting goods that include Copper, Maize and Beans, Maize meals, Maize brand, Ross Timber, Salt, Charcoal, Carrots, Onions and Potatoes. We have Freezer trucks as well for meat, fruits and frozen sea products.

ROUTE

We are transporting from all over in Namibia to the SADC Countries like; Zambia, Angola, Democratic Republic of Congo, Kenya, Malawi, Rwanda and Burundi, Tanzania, Mozambique and Zimbabwe Swaziland and South Africa.

HEALTH, SAFETY AND ENVIRONMENT (HSE) POLICY

All activities at Colombian Trading cc are undertaken with integrity, responsibility and respect for the environment and the community in which these activities take place. This entails conducting operations in an ethically and practically sound manner that minimises risks and places high priority on the safety of those involved.

We are committed to:

- Comply with all applicable Health, Safety and Environment (HSE) laws, regulations and standards and to apply responsible standards where legislation is inadequate or does not exist.
- A systematic framework of hazard identification and risk assessment through which safe operations can be managed.
- Develop effective HSE management systems to identify and manage risks associated with its activities by focusing on risk avoidance and prevention.
- Provide training, equipment and facilities necessary to maintain a safe and healthy worksite.
- Support environmental protection, practice pollution prevention, and seek viable ways to minimize the environmental impact of operations, reduce waste, conserve resources and respect biodiversity.
- Protect and minimise any harm to the environment in our business activities, and continuously focus on improving our environmental procedures.
- Ensure that partners and contractors' policies are compliant with our own standards, and recognise that all working on our behalf can impact our operation and reputation and that we all share a common responsibility for our safety.

OUR TEAM

At the core of our values, we place teamwork. We have created a unified force that is connected by one thing... Purpose. Each member is valuable and highly expected to contribute. Our ethos is, " Teamwork gets more done"

TEAMWORK IS ALWAYS A MUST...

COLOMBIAN TRUCKING

Our main aim as a company with over 6 years in existence, is to revolutionize the entire industry of logistics & transport by rendering unique services to our clients; of course with regards or consideration of working within sustainable means.

We aim to extend our services from just Southern Africa but global, with the acquisition of docking facilities and fuel trucking across other countries.
